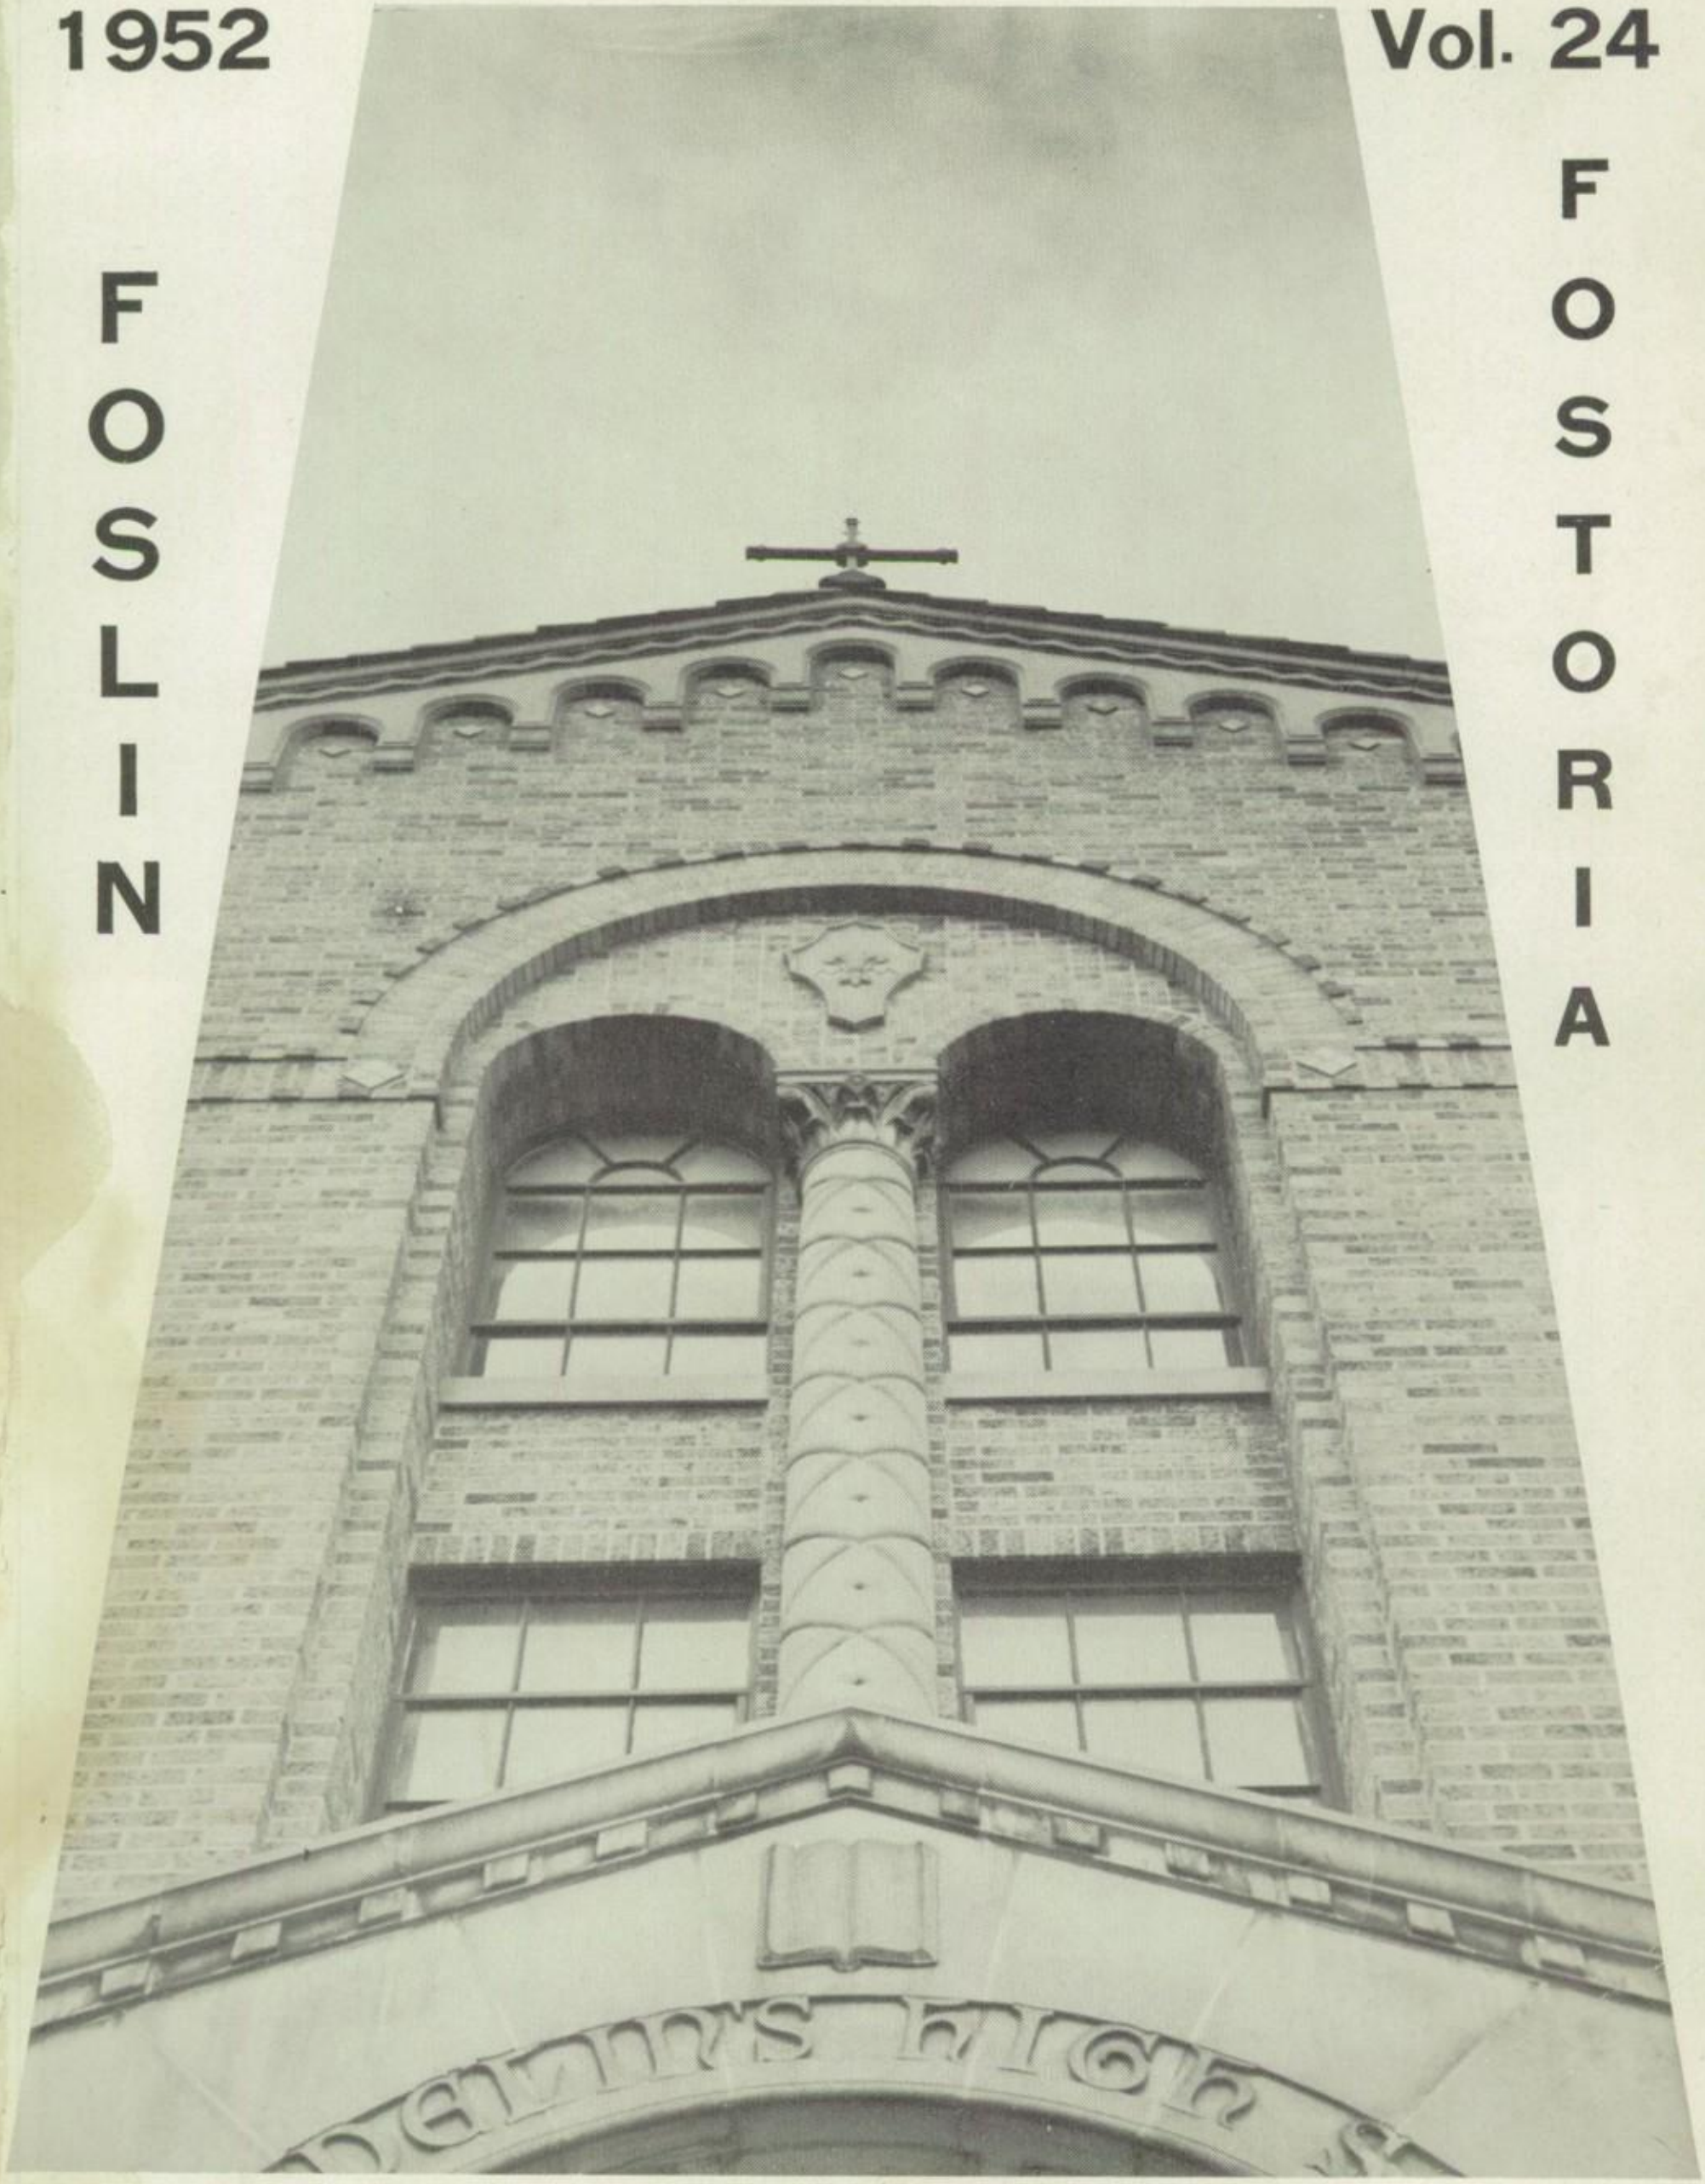
FOSLIN FOSTORIA

Vol. 24



Appreciation

We, the senior class, on behalf of the students of St. Wendelin High, wish to express our sincere appreciation and gratitude to our Pastor, Father Kirsch. Through his tireless efforts he has helped to make St. Wendelin schools the best in the diocese.

Father Kirsch reading this will probably say, "They shouldn't have done this," or "This wasn't necessary," but we are only too happy to take this opportunity to say a few of the many nice things which all of us feel and think concerning our good Pastor.

So "Thank you, Father Kirsch, and thanks again and again."

RAYMOND G. KIRSCH
PASTOR

Dedication

The Class of 1952 wishes to dedicate this, their yearbook, the Twenty-fourth Volume of the FOSLIN, to their Principal, Reverend Father Schill, thus to give evidence, in some little way at least, of their deep appreciation of his loving care for them, and guidance in both their spiritual and temporal concerns. His kindly counsel for the students during the years when such counsel is most needed, will always be, not only cherished memories, but guiding stars to help them make and keep their lives exemplary ones both for time and for eternity.

The second year Drafting class are delving a little deeper into their subject. Paul Ardner, Franklin Bugner, Lauren Emerine, Robert Warner, Duane Finsel, Bernard Frankart, and Tom Reiter are too busy for words.

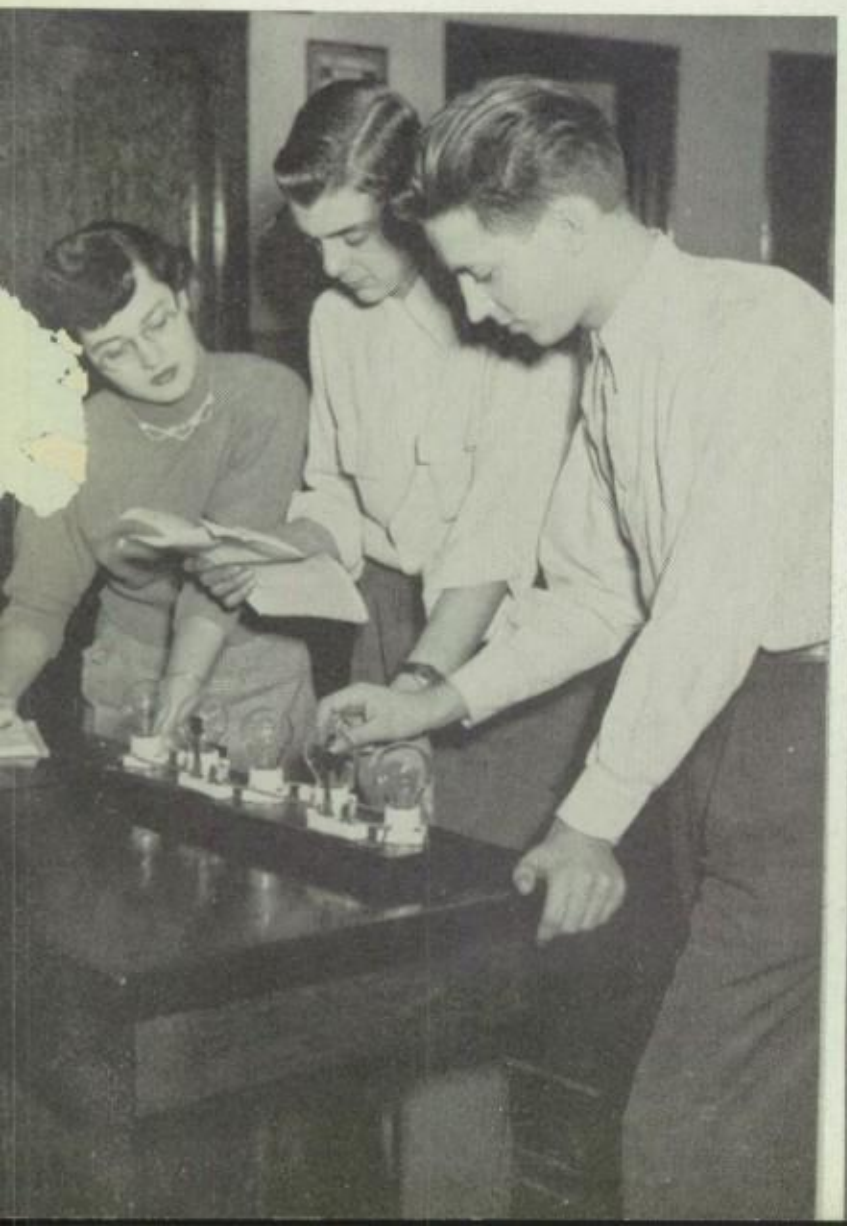
Bernard Frankart is in charge of the movie projector. Tom Droll and Bob Whitta are interested, too.

Helen Torres is showing Helen Gillig a copper halftone which was formerly used in our annual.

In the Physics Laboratory, three major problems, as depicted here, are being studied. The first is the Inclined Plane on which Paul Ardner, Tom Reiter, and Dick Tompkins are working.

Bob Drutschel, Dan Scharf, and Dolores Kresge are experimenting on Sound.

The Parallel-Series Switch Board is being tried out by Alice Lichtle, Dick Shultz, and Helmut Press.



Irene Pethe, Bradford Nye, JoAnn Kinn, and La-Donna Hammer are enjoying a back number of the FOSLIN.

Lynn Faber and Gene Lonsway wonder if that is really Bob Reiter.

Irene Ramirez, Bob Warner, and George Gase lo forward to "The Day".

James Krupp and William Bodart are making use of the new 3-second centrifuge separator to hasten the complete precipitation of their silver chloride. Dean Sheibley and Rosalyn Livo are next in line for the analytical balance. Bernard Vance and Gilbert Weber are selecting the proper chemicals from their semi-micro set preparatory to weighing out the exact quantities for their next experiment.

JUNIOR DRAFTING

Gilbert Weber (foreground), Darrell Dyer, Willis Droll, Leonard Holman, James Conine, Edward Wangler, Gerald Schaffert, and Richard Navarro comprise this little section of the first year Drafting class. Ed and Jim are discussing their problem in Surface Development.

Russell Kahman and Tom McLaughlin are amused at Dale Hammer's version of the subject.

George Cervantes, Willis Droll, and John Walter are satisfied with their results.

Relaxing a bit between periods are Rita Logsdon, James Utriainen, Louis Nye, Joyce Schreiner, and Esaias Malagan.

Which one is doing the entertaining—Barbara Kirian, Fred Hunt, or Darlene Potteiger?

Is Richard Zirger really studying or just putting on a good front?

It's always good to talk things over after a hard day's work. At any rate Dale Kieffer, Barbara Karcher, Loyal Hubbard, Vernon Holman, Dolores Shaull, and John Blaser seem to think so.

Jim Utriainen and Carol Sheibley are probably looking for Fostoria.

Rosemary Marks, Eddie Boff, Don Kruszynski, Dolores Tiell, Florence Bulkowski, Betty LaFountaine, and Carol Lyman seem to have just completed an enjoyable class period.

Admiring their new Mohawk book covers are Marlene Burns, Mary Jane Kelbley, Ruth Gillig, LaVarne Reising, and Helen Ritzler.

Tom Warner, Dorothy Malagan, Marlene Spangler, John Schreiner, Ruth Hernandez, Gerald Reiter, Henry Smith, and Marie Guzman make up this busy little History group.

Ronnie Blaser is enjoying Eugene Schalk's U. of D. annual from which the FOSLIN staff borrowed a few good ideas.

What are they here for, Father, pencils, notebooks, or just a little freshman confab? We'll have to ask Eugene Brickner, Ruth Ardner, Nancy Moran, James Wolfelt, Susan Jacoby, Deloris Pocs, Norma Lucius, or Delores Weber, won't we?

"MOHAWKS" 1951

Risingsun—Here

The Mohawks opened the Booster's Grid Preview, September 7, in the local stadium with a victory of **12 to 0** over Risingsun. The S.W.H. team made a good showing and gave promise of a thrilling season.

Elmore—There

Elmore met their "Waterloo" when the Mohawks invaded them in their home town, in the first scheduled game of the season, September 14. The credit of the win does not go to any individual but to every player that did his part towards this **37 to 0** win.

Fremont, St. Joseph—Here

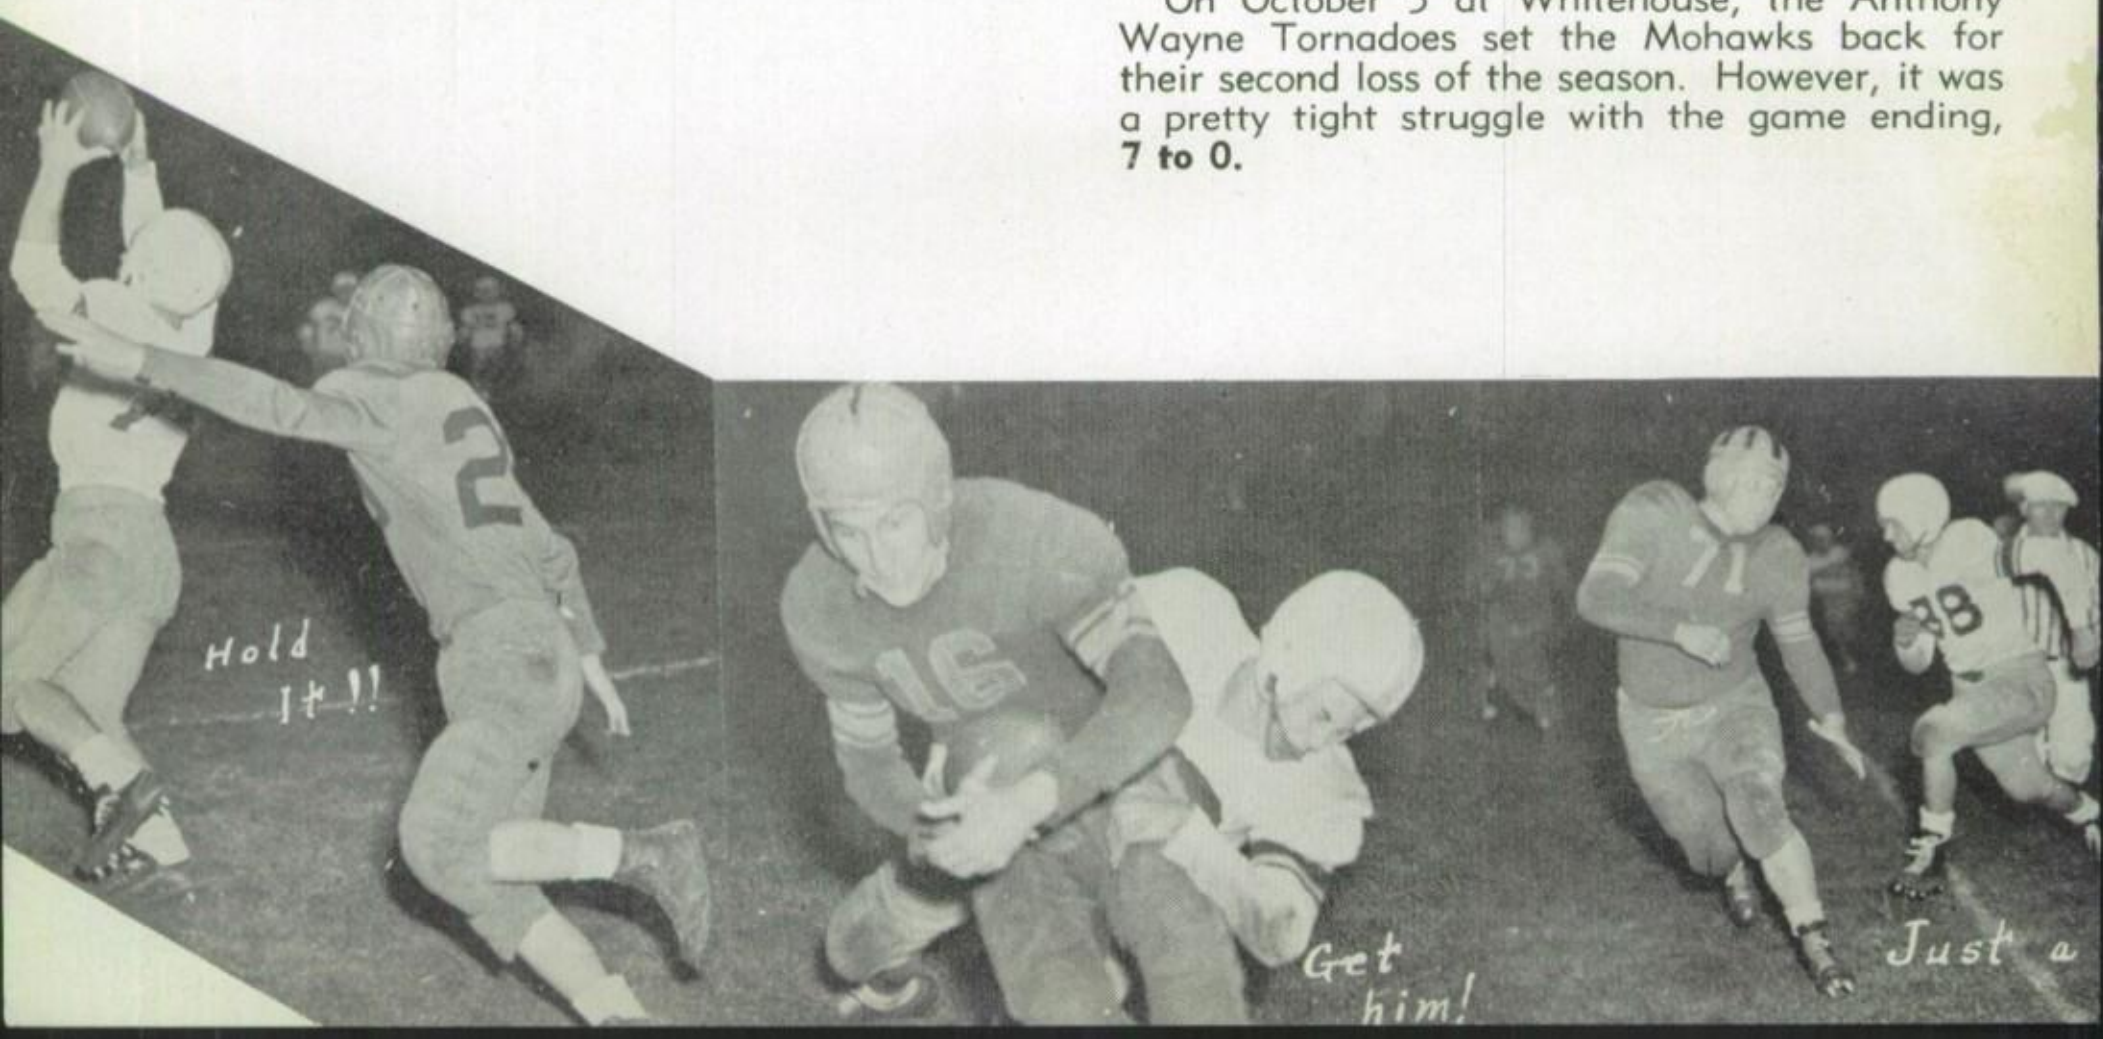
Lady Luck was not with the Mohawks the night of September 21, when Fremont St. Joe edged a win of **7 to 6** in the closing minutes of play.

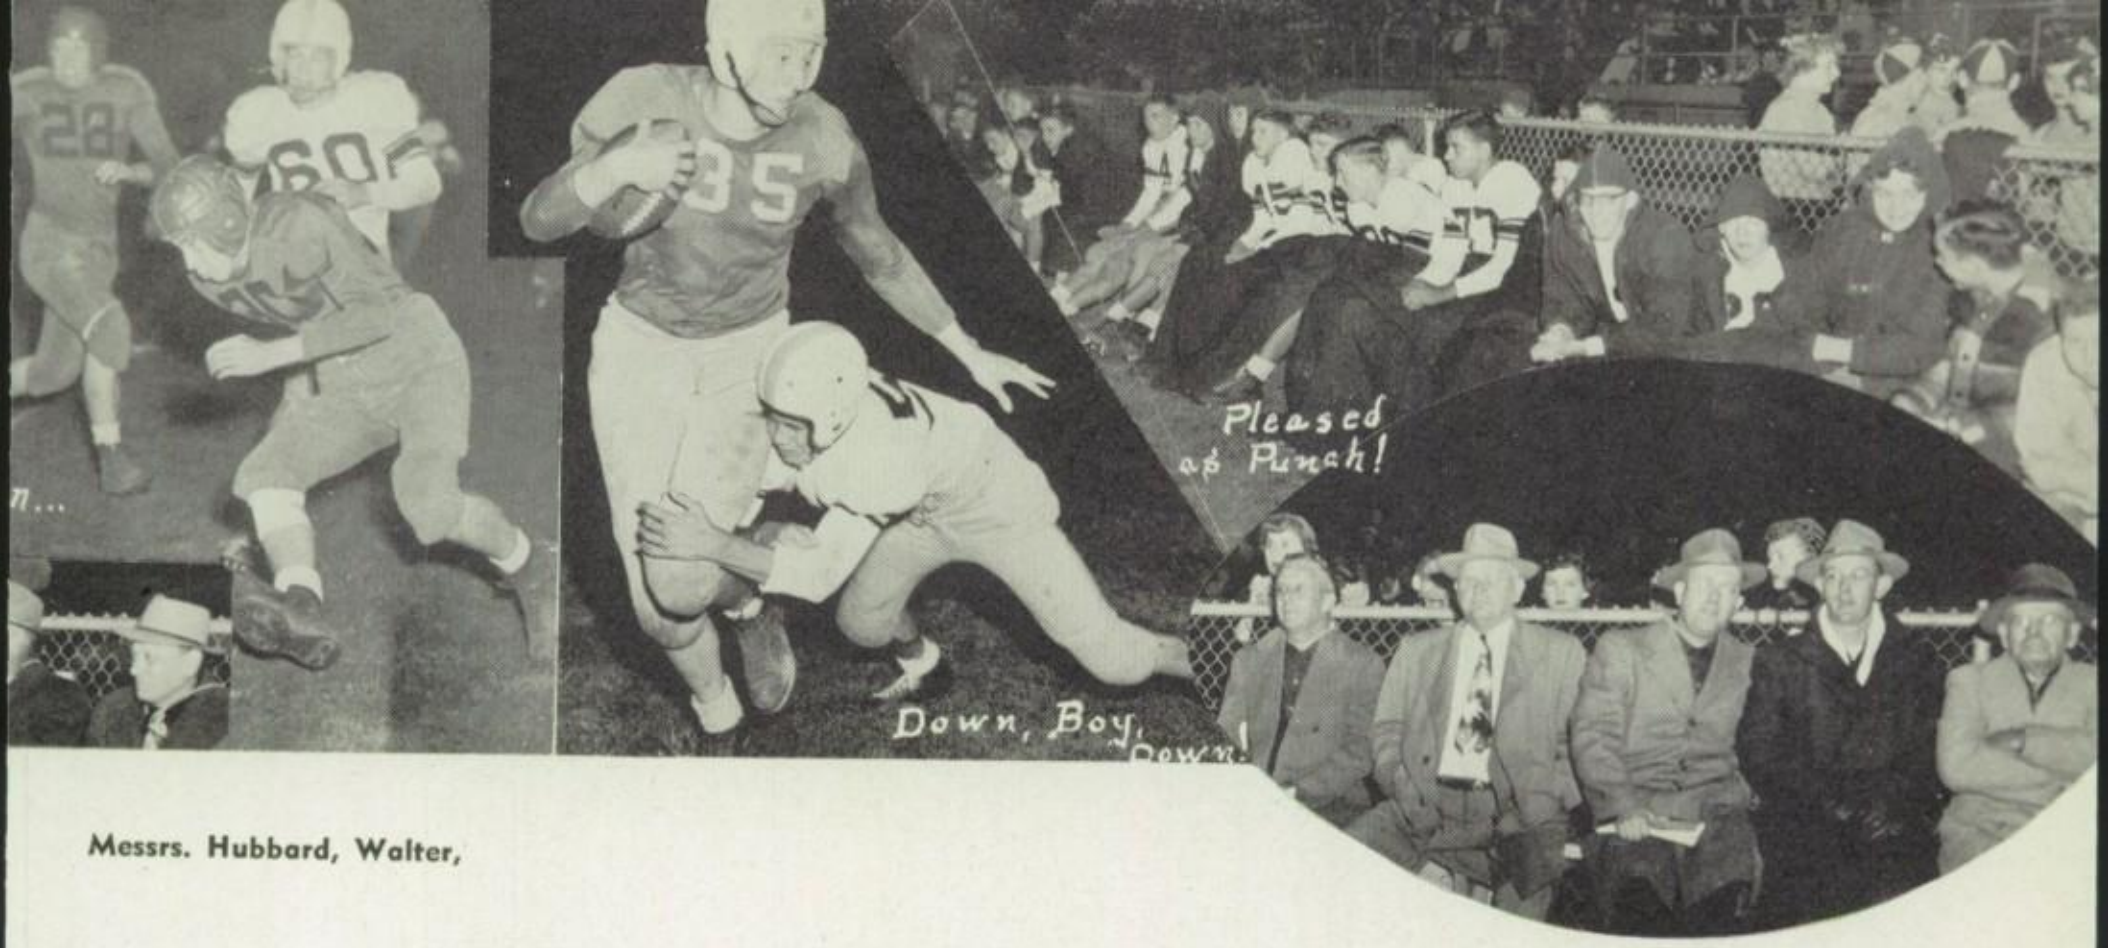
Sandusky, St. Mary—Here

On September 29 the Panthers of Sandusky, St. Mary's engaged the Mohawks in the Fostoria stadium. Sparked by brilliant backfield maneuvering and good down-field blocking, the Saints chalked up their third victory by a decisive **18 to 0** score.

Anthony Wayne—There

On October 5 at Whitehouse, the Anthony Wayne Tornadoes set the Mohawks back for their second loss of the season. However, it was a pretty tight struggle with the game ending, **7 to 0.**





Messrs. Hubbard, Walter,

Conine, Holman, Weber, Smith, Foos.

FOOTBALL GAMES

North Baltimore—Here

October 12 showed the undefeated North Baltimore Tigers literally trampled by the Mohawks. Two successive touchdowns in the second quarter, and two in the third, gave Coach Herman a chance to substitute freely before the Locals walked off with a **27 to 7** win.

Norwalk, St. Paul—Here

Dad's Night, October 19, gave all the Dad's a front line cheering spot in Memorial Stadium, and their sons in turn gave them something to cheer about. The Mohawks took command from the kickoff and finally gave the St. Paul Flyers a **46 to 13** trouncing.

Genoa—There

Genoa versus St. Wendelin, October 26, found the latter up against a lightning football team at Genoa. The Mohawks had to stage a last quarter rally to tie the Genoa Comets **7 to 7.**

Lakewood, St. Edward—There

The Lakewood, St. Edwards game, scheduled for November 4, had to be cancelled because of weather conditions.

Toledo Macomber—Here

In their final game of the Grid Season, the Mohawks bowed out to the Macomber eleven of Toledo by a score of **26 to 6.** Though the last game ended in defeat the season's chart had chalked up a **total of 5 wins, 3 losses and 1 tie,** —not too bad a record.

1952 BASKETBALL GAMES

The St. Wendelin Mohawks opened their 1952 season when they traveled to **Norwalk, St. Paul Dec. 2.** It was a close game until the Mohawks opened up in the second half and finished with a score of **59-46** with Fostoria in the lead.

With only a few days rest between, St. Wendelin's quintet met the **Risingsun** Tigers on the local floor with a walk-away victory of **62-42.**

The Mohawks notched **Tiffin Calvert 58-52** in a well deserved victory, Dec. 7. The superlative defensive and rebound work was given credit for the excellent performance shown by the Saints.

On the night of December 11 the boys were out for their fourth straight victory when they faced the battling **Ottawa Parochial** five. However, luck was against them when Ottawa wrapped up the game with a score of **71-62.**

St. Wendelin played host to **Genoa** Comets on December 14. After a close start the Mohawks pulled away and stayed in front until the finish of the game when the scoreboard read **81-67** in favor of the Mohawks.

On December 18, on their home court St. Wendelin's team met the **Bettsville** Bobcats. The Saints as usual had no trouble in finding the basket. At the final quarter the score was **77-39.** This made the Saints' fifth victory.

After the game with St. Mary's Marion was cancelled, the Mohawks racked up six wins in seven starts. Against **St. Joe's Fremont** the Mohawks as usual remained ahead throughout the game and finally whipped the Crimson Streaks by eighteen points. Score: **72-54.**

St. Wendelin Mohawk's were held in check by **Webster** High School's man-to-man defense for three quarters in our local gym, but were off in running as the last frame opened and romped to a **59-36** win.

The Mohawks rang up their eighth victory when they rallied in the last half to beat **Cygnet** 49-39. This game was not a cinch as most of their other games were as they seemed off their game with inaccuracy in shooting. But the main thing was that they did win.

After an even first quarter with **Lima St. John,** the Mohawks steadily increased their margin to ten points at the half, sixteen at the end of the third quarter, and pushed over the Titans with a final score of **56-41.**

St. Wendelin soared to their tenth victory on the wings of a record breaking performance by their ace forward, Jim Krupp, against **North Baltimore.** Final Score: S.W.H. **83-43.**

St. Wendelin suffered their second loss of the season to their rivals, the **Gibsonburg** Golden Bears in an overtime tilt. The game was extremely exciting as the lead kept exchanging hands until the final score found Gibsonburg ahead with a **60-55** win.

The night of January 22 saw the Mohawks defeat a newcomer to their schedule in the form of **Whitmer, Toledo** when they chalked up victory number eleven. In the fourth quarter the Mohawks surged forward and finished with a **59-43** victory.

The game against **Sandusky St. Mary** was, indeed, an unusual one. St. Marys stalling tactics for three quarters left them trailing 18-15 as the final period opened. With two and one-half minutes left the Mohawks turned the tables on their visitors by freezing the ball and ending the game with the astounding low score of 34-22 in favor of St. Wendelin.

In the game against **Lake,** the Mohawks set a new scoring mark in their 86-49 victory. Needless to say, this game was a pushover.

Facing their sternest test of the season the Mohawks went down to defeat at the hands of **Lima St. Rose.** But Lima had to fight for their victory of **56-51.**

Nearing the close of the season **St. Joe Fremont** lost to the triumphant Mohawks. The first half of the game was very close but the Mohawks were able to put a big gap between themselves and the Streaks with score of **68-46** at the end of the game.

St. Wendelin basketball machine won another ball game at **Bascom.** A last period fade out by the Chieftains took off the pressure and the Mohawks raced in with a **73-53** triumph.

On February 8, **Tiffin Calvert** came to town and handed the Mohawks their fourth defeat. Even though the Mohawks lost they played a very good game. It seemed as if luck was against them. **Tiffin: 55 S.W.H. 49.**

The St. Wendelin Mohawks ended their regular season when **Mansfield,** St. Peter's came to the home court. The Mohawks actually trampled over them as they beat St. Peter's **71-26.** St. Wendelin had an exceptionally good record this year with **sixteen wins and four losses.**

Flash! Mohawks win Protest Tournament! Coming from behind with a thrilling last quarter rally, Coach Kenny Herman's quintet beat Gibsonburg 53-46 to cop the title.

St. Wendelin worked its way to the finals by first squeezing by **Norwalk St. Paul** 47-46 on a last minute goal and free throw by Jim Krupp. Then they encountered some difficulty but managed to overcome **Rossford 53-43** in the semi-finals. Gibsonburg had put down Carey and Clyde in reaching the finals against the Mohawks.

In the Championship game the Black and Gold trailed until the last quarter but turned on the steam in the final stanza to win going away. Back in 1945 St. Wendelin also won the Fremont Protest Tournament.
